

MOUNT POLLEY MINING CORPORATION

a wholly owned subsidiary of Imperial Metals Corporation

Mount Polley Mining Corporation is currently seeking qualified candidates for the following position:

Mill Maintenance General Foreman

Reporting to the Mill Maintenance Superintendent, the Mill Maintenance General Foreman will be responsible for all aspects of mill maintenance including directing and overseeing the mill maintenance supervisors and crusher maintenance supervisors, safety, administration, planning and equipment maintenance. The ideal candidate will have at a minimum of ten (10) years supervisory experience in a mineral processing environment and possess an interprovincial trade qualification.

In addition, the successful candidate will have demonstrated excellent leadership, interpersonal and communication skills. Experience with rod/ball mill plant and gyratory and cone crushing systems; knowledge of a cmms system. Basic knowledge of computer operating systems and software, including SAP will be considered an asset.

This is a senior position within the company and an attractive salary package, including relocation, will be negotiated with the successful candidate.

Qualified individuals are invited to forward their resumes, including a cover letter to:

Mount Polley Mining Corporation
Human Resources Dept.
PO Box 12
Likely, BC V0L 1N0
Fax: 250.790.2613
